

En el contexto del proyecto AEJO ERASMUS +, un proyecto financiado por el SEPIE y del cual el CIP Tafalla ha sido el centro coordinador durante los dos años que ha durado, hemos abierto las puertas para que nuestros estudiantes conozcan un poco mejor Europa y sus culturas, valoren la relevancia de tener una movilidad europea y, por qué no, encuentren un trabajo que les pueda aportar recursos, experiencia y una mejora de vida.

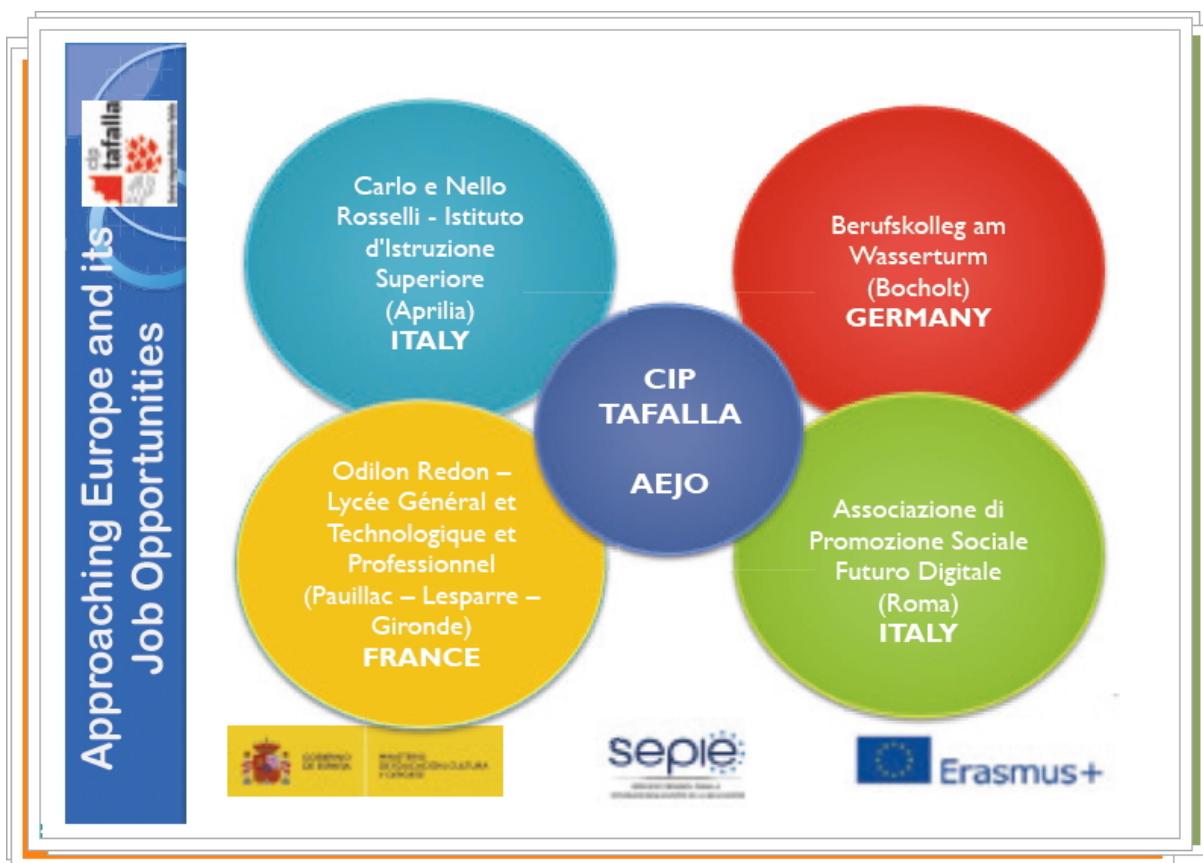

Del 16 al 20 de octubre de 2017 en el CIP Tafalla recibimos a un grupo de cinco alumnos alemanes que habían sido anfitriones de nuestros alumnos cuando viajamos a Bocholt (Alemania) en noviembre de 2016 en el tercer encuentro transnacional del proyecto

Below it is the Erasmus+ logo. The main title 'ERASMUS+ AEJO' is displayed in large, bold, black capital letters. A red horizontal bar below the title contains the text 'ACERCÁNDONOS A EUROPA Y SUS OPORTUNIDADES DE TRABAJO'. On the left side, there is a section titled 'SELECCIÓN DE WEBS Y ENLACES DE UTILIDAD PARA ENCONTRAR UN TRABAJO EN EUROPA' with a sub-section 'BUSCAR UN EMPLEO EN UN PAÍS EUROPEO'. This section features a screenshot of a webpage from 'FuturoDigitale' with a blue and white design, showing text about useful links for finding work abroad. The newsletter form includes fields for 'Email \*', 'Nombre / First name', 'Apellido / Last name', and a 'SUBSCRIBE' button.

Las diferentes actividades académicas han tenido lugar en el CIP Tafalla, así como en empresas y centros culturales de interés: Ayuntamiento de Tafalla,

Pamplona, Olite, San Sebastián, etc. Vale la pena mencionar la gran satisfacción mostrada tanto por los profesores como por las familias que han contribuido a hacer posible esta inmersión lingüística y cultural.

Heinz Hansmann, el profesor acopañante alemán, mostró su agradecimiento con estas palabras:

*"It's an exchange that intends to bring teachers and students from VET European schools together, a follow up of our AEJO Project.*

*We just had the second exchange with CIP Tafalla in Tafalla from the 16.11. – 20.11. 2017. It was a great pleasure to be guests in Tafalla. We had a very warm welcome by teachers and parents. During our stay we were treated like royals. The parents were very helpful and supportive with everything. From the teachers point of view we would like to continue the exchanges in years to come.*

*We had a look around the town, visited the mayor of Tafalla and were invited to visit to the castle of Olite, which is a famous historical medieval place. The following day we were walking on the track of the bulls of the week of 'San Fermin' in Pamplona. The next day we had a special treat and discovered the city of San Sebastian, a beautiful place. All this happened together with the parents of the host families. In the evening we had a tapas night down town and later on were invited by the head of the school for a late night dinner, unforgettable.*

*Altogether it was a marvelous experience to come to Tafalla. We enjoyed our stay very much. A big thank you to the school and to the parents for this nice arrangement. We are very much in favour to continue the exchanges and do other projects together in the years to come following the route of Erasmus+."*
